## \$200 MONTES WINES

### ~ MONTES CLASSIC SERIES SAUVIGNON BLANC "2010"

A fresh and delicate wine. Citrus and tropical fruits accompany the floral notes that characterize this wine, showcasing its cool Casablanca climate origin. Drink as young as possible. Enjoy it with fresh salads, fish or simply on its own.

### ~ MONTES CLASSIC SERIES MERLOT "2009"

A fruity, expressive wine. Evident notes of raspberries and hints of blackberries combine very well with the typical spiciness of the variety. The oak is there but at a level that permits the fruit to be the principal element. This is a wine with a good balance of tannins and acidity, giving at the end a friendly, soft wine. Long and pleasant finish.

## \$300 PETER LEHMANN WINES

### ~ EDEN VALLEY CHARDONNAY "2009"

An early picked, delicate Chardonnay showing pale green tinges and a lovely balance of fruit supported by stylish barrel characteristics. A wine that will continue to improve and gain complexity over the next 4-5 years. Enjoy with delicate seafood and with white meat dishes.

### ~ EDEN VALLEY SHIRAZ "2007"

Dense black in colour, the nose shows chocolate, mint and intriguing spicy notes. A perfect accompaniment to spicy aromatic meat dishes, Indian curries, a classical coq au vin, and cheeses such as a hard chèvre or a great parmesan.
