

## Team Civil Engineering, Dalhousie University “Curve”

One is a dot, a row becomes a line, many more form a beautiful curve. Together, we create beauty one can at a time; together, we fight hunger one can at a time.

Team: Jonathan Hatt, Captain  
Ehsan Nasiri Khaneghah  
Anisa Awad  
Melodi Mrad  
Carolyn Eva

Additional team members: Tim Houtsma, Craig Stefan, Rebelle Zibara, Patrick Mahoney, Lisa Mitchell, Firas Naamani, and Professor Yi Liu

Special thank you to: Canadian Institute of Steel Construction (CISC) Atlantic Region and Scotiabank who provided the donations toward the purchase of the cans of food; Sobeys who supplied the cans used in this structure; and Brian Kennedy, Brian Liekens, and Blair Nickerson of Dalhousie University for assisting in transporting and fabricating building materials.
