

IDNS | rcs | Mill-Right Inc. “Krave an End to Hunger”

North Americans love their burgers. Unfortunately not everyone is able to enjoy one. As much as the perfect burger is created with layers, hunger is an issue with layers of reasons and answers. If only a solution to hunger was as easily found as that burger you Krave.

Special thanks to: Krave Burger, for being part of our team this year. Thank you to Robert Bury for supplying all our template materials. Thank you to the rest of our Canstruction team for all your help; the IDNS members, and rcs and Mill-Right staff who donated your time and money to make another successful Canstruction build possible.
