

MAC Interior Design Inc. | Floors Plus Commercial “A Piece of Cake”

It's CANada's 150th Birthday and what better way to celebrate together than by sharing a cake! Our piece of cake is constructed with a mix of “in demand” food products to stock the pantry at Feed Nova Scotia. We think our sculpture proves the point that “you CAN have your cake and eat it too!”

Team: Dawn MacLachlan, Captain
Randy Lewis
Susan Conrad
Tracy Gibson
Daniel Gibson

Additional team members: John Power, Dwayne Lipton, Francis Chisholm, and Brian Downey
