

Marid Industries Limited “One Nation CAN Make a Difference”

We think of our nation,
Canada; strong and proud.
We speak out for freedom,
We speak it out loud.

We reflect on our past,
The distance we've come.
Began as an outpost,
On the map that was drawn.

Today we make our future,
Bright we know it will be.
Communities of unity,
Togetherness is our plea.

Our work is not done,
More we must do.
We now stand for others,
The one; the few.

We fight against hunger,
One can at a time.
We see the struggle,
It is a mountain to climb.

We look to our challenge,
It seems so immense.
Now we will change this,
We will make the difference!
